

SEAT

Stand By is a sofa suitable for “open Space” places by creating privacy to place calls, complete business and organize documents. Stand By is available in single armchairs or two-seater sofas, with or without side and back panels to provide excellent acoustic and visual protection.

FINISHES

Color options for the seating unit:

- Complete unit solid color
- Combination of colors- privacy panels separate color from sofa

ACCESSORIES

Custom configurations are possible with Stand By seating. Metal tables are also available in multiple color finishes to coordinate with these units.
